Ramakrishna Mission Seva Pratishthan Vivekananda Institute of Medical Sciences

Secretary's Report

We are presenting a report of the activities of the institution for the years 2022-23 & 2023-2024. Before we proceed with the details of activities during these years, it would not be out of place to give here a brief history of the origin and growth of the Pratishthan.

Brief History and Growth

This institution, a branch centre of the Ramakrishna Mission, was founded by Revered Swami Dayanandaji Maharaj, a disciple of the Holy Mother Sri Sarada Devi in its former name of "Ramakrishna Mission Sishumangal Pratishthan" in a rented house in July 1932 with an initial financial help from an American devotee Miss Helen Rubel (Sister Bhakti). Domiciliary Maternity Service and Outdoor Antenatal and Postnatal clinic were started first, and a year later, the Indoor section with 7 beds for mothers and 9 beds for babies was added. Later on, a small plot of land was purchased at 99, Lansdowne Road (now Sarat Bose Road), where foundation stone of a permanent hospital building was laid on March 4, 1938 by the Most Revered Swami Vijnananandaji Maharaj, a direct disciple of Bhagavan Sri Ramakrishna and the fourth President of the Ramakrishna Math and Ramakrishna Mission.

The initial stage of construction work got a major boost with a kind and generous donation of ₹ 50 lakh by Shri Nandlal Tantia when it was decided to name the research centre, when completed, as Rameshwar Tantia Research Centre. The completion of the 3 floors of the present VIMS building took almost 20 years and that too in various stages due to intermittent lack of funds. In 1997, some more resident post-graduate trainees, research scholars and junior doctors could be accommodated in it with addition of about 7500 sq.ft. floor space on the 4th floor. This was made possible with the financial assistance of ₹ 25 lakh received from the Planning Commission, Government of India.

Two Seminar Halls i.e. “Virajananda Hall” & “Atmasthananda Hall” was inaugurated on 25-07-2019 by Srimat Swami Vimalatmanandaji Maharaj, Trustee, Ramakrishna Math & Member, Governing Body of Ramakrishna Mission, Belur Math.

A newly constructed Male Doctors’ Hostel and Guest Room in the 5th Floor of VIMS Building was inaugurated on 20-08-2017, the Birthday Tithi of Srimat Swami Advaitanandaji Maharaj. The hostel named as “Swami Advaitananda Junior Doctors’ Hostel (Male) & Family Quarters”.

The present set up of the hospital wing:

It has a total **Bed Capacity of 684**. The hospital has the following departments and units :

Anaesthesiology, Cardiology, Chemotherapy, Dentistry, Dermatology, ENT, General Medicine, General Surgery, Neurology, Obstetrics & Gynaecology, Ophthalmology, Orthopaedics, Paediatric Medicine & Surgery, Radiodiagnosis, Endocrinology & Urology. It also has separate Units viz. for Gastroenterology, Haematology, Nephrology, Psychiatry, Plastic Surgery, Cardiothoracic Surgery, Maxillo-Facial Surgery, Neuro-Surgery, Hearing and Speech Therapy, Physiotherapy, Postpartum (Family Welfare), and also some clinics viz. , Club-foot, Arthroscopy, Glaucoma, Retina, Immunization and Well Baby. The special needs of the said Departments are met by the departments of Radiodiagnosis, Chemotherapy, Pathology with Microbiology, Biochemistry and supported by Blood Centre. The Community Health Service wing serves both semi-urban and rural patients.

Activities of the Institution

The Ramakrishna Mission Seva Pratishtan Vivekananda Institute of Medical Sciences was recognised by the University of Calcutta for post-graduate training and research in Medicine in 1963, the year of Swami Vivekananda’s Birth Centenary. Presently it is affiliated under the West Bengal University of Health Sciences for its Postgraduate Degree, Diploma and various paramedical courses.

The National Medical Commission (previously Medical Council of India) which recognised the Seva Pratishtan in 1966 for compulsory rotatory training of fresh medical graduates, also recognised it in 1979 for post-graduate degree and diploma courses. The Institute has also been recognised by the University Grants Commission since 1987. The Indian Council of Medical Research (ICMR) recognises it as a research centre. Our Postgraduate Trainee Doctors are also doing their regular Thesis work under West Bengal University of Health Sciences.

The academic activities of the Vivekananda Institute of Medical Sciences were guided by an Academic Council upto 1981-82. Since 1982-83 a Governing Body is looking after it (see page 1).

The Institute has a medical library with 10406 books and subscribes to 15 medical journals. Qualified and experienced doctors are carrying on research work at the Pratishtan in different subjects. The results of their investigations are published in medical journals in India and abroad. Since 1978, the Institute has been publishing its own journal. The Journal of the Vivekananda Institute of Medical Sciences containing articles from our staff as well as doctors from other institutions of India and abroad is published regularly and has entered the 47th year. The number of bound volumes of medical journals in the library is 4224 and number of thesis is 821.

Independent Auditor's Report

To the Management of Ramakrishna Mission Seva Pratishthan.

Opinion

We have audited the financial statements of **Ramakrishan Mission Seva Pratishthan, Vivekananda Institute of Medical Sciences**, which comprise the Balance Sheet as at 31st March, 2023 and the Income and Expenditure Statement for the year then ended, and notes to the financial statements, including a summary of significant accounting policies.

In our opinion and to the best of our information and according to the explanations given to us, the accompanying financial statements, give a true and fair view of the financial position of the entity as at 31st March, 2023 and of its financial performance for the year then ended in accordance with the accounting principles generally accepted in India.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) issued by ICAI. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the entity in accordance with the ethical requirements that are relevant to our audit of the financial statements in India, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Responsibilities of Management and those charged with Governance for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with the aforesaid generally accepted accounting principles in India, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error. In preparing the financial statements, management is responsible for assessing the entity's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the entity or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the entity's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with generally accepted accounting principles in India will always detect a material misstatement when it exists.

Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

A further description of the auditor's responsibilities for the audit of the financial statements is located at ICAI website at : <https://www.icaai.org>. This description forms part of our auditor's report.

Report on Other Legal and Regulatory Requirements

We report that :

- a. we have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purpose of our audit;
- b. the financial statements dealt with by this Report include the transactions related to foreign contribution received and utilised under the Foreign Contribution (Regulation) Act, 2010;
- c. in our opinion, proper books of account as required by law have been kept by the **Ramakrishna Mission Seva Pratishthan, Vivekananda Institute of Medical Sciences** so far as appears from our examination of those books;
- d. the Balance Sheet, and Income and Expenditure, dealt with by this Report are in agreement with the books of account.

Independent Auditor's Report

To the Management of Ramakrishna Mission Seva Pratishthan.

Opinion

We have audited the financial statements of **Ramakrishan Mission Seva Pratishthan, Vivekananda Institute of Medical Sciences**, which comprise the Balance Sheet as at 31st March, 2024 and the Income and Expenditure Statement for the year then ended, and notes to the financial statements, including a summary of significant accounting policies.

In our opinion and to the best of our information and according to the explanations given to us, the accompanying financial statements, give a true and fair view of the financial position of the entity as at 31st March, 2024 and of its financial performance for the year then ended in accordance with the accounting principles generally accepted in India.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) issued by ICAI. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the entity in accordance with the ethical requirements that are relevant to our audit of the financial statements in India, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Responsibilities of Management and those charged with Governance for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with the aforesaid generally accepted accounting principles in India, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error. In preparing the financial statements, management is responsible for assessing the entity's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the entity or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the entity's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with generally accepted accounting principles in India will always detect a material misstatement when it exists.

Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

A further description of the auditor's responsibilities for the audit of the financial statements is located at ICAI website at : <https://www.icaai.org>. This description forms part of our auditor's report.

Report on Other Legal and Regulatory Requirements

We report that :

- a. we have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purpose of our audit;
- b. the financial statements dealt with by this Report include the transactions related to foreign contribution received and utilised under the Foreign Contribution (Regulation) Act, 2010;
- c. in our opinion, proper books of account as required by law have been kept by the **Ramakrishna Mission Seva Pratishthan, Vivekananda Institute of Medical Sciences** so far as appears from our examination of those books;
- d. the Balance Sheet, and Income and Expenditure, dealt with by this Report are in agreement with the books of account.

THE EMBLEM

“The wavy waters in the picture are symbolic of Karma; the lotus, of Bhakti; and the rising-sun, of Jnana. The encircling serpent is indicative of Yoga and the awakened Kundalini Shakti, while the swan in the picture stands for the Paramatman (Supreme Self). Therefore the idea of the picture is that by the union of Karma, Jnana, Bhakti and Yoga, the vision of the Paramatman is obtained.”

— *Swami Vivekananda*
